The above chart shows each team's wins, losses, net Profit or (Loss) for the 2013 season through last Sunday night. The Profit/(Loss) is based upon wagering to win \$100 on a Favorite and based on wagering \$100 to win a higher amount on an underdog. Also shown are each's team's results for Overs, Unders and Pushes. Additionally, each team's Quality Starts (QS) are shown. A team is credited with a QS whenever a starting pitcher goes at least 6 innings and allows 2 earned runs or less. Each team's Home vs. Road breakdown is also shown together with the Average Runs For and Against at both Home and on the Road.
